Scripture: **Hebrews 5:11-6:3**

THIS WEEK'S FOCUS

Every Christian is called to grow in spiritual maturity by applying the truth of the gospel to all aspects of their lives and teaching the basics of the faith to others.

QUESTIONS FOR DISCUSSION *(Use along with **Reading: Ante Faciem Dei**)*

- Are there areas of your life in which you are still spiritually immature? Do you know the basics of the Christian faith – such as the vital doctrine of justification by faith – and are you able to teach them to others?
- Why does it matter whether or not we mature in the faith (Ephesians 4:14)? Do you have an eagerness to learn the deeper things of God or have you become sluggish, unreceptive, or disinterested?
- What does it look like to have a childlike faith and yet be mature in the faith at the same time?
- What are you doing to make every effort to progress in your walk with God? Are you making a commitment to gather in gospel-centered community, the fertile soil of optimal spiritual growth?
